Dated the 16th Aug. 1950.

Roc.No.3947-V/50.

From

Director of Animal Husbandry, Madras.

The Deputy Secretary to Government,
Development Department, Madras.

Sir,

Sub: Establishment - Animal Husbandry Department - Appoint-
ment of a mechanic at the Combined Sheep and Cattle
Farm, Kurukuppi - Proposals.

19 AUG 1950

The Superintendent, Combined Sheep and Cattle Farm, Kuru-
kuppi reports that there are the following articles of machinery
in the farm.

- 1) 8 H.P. "Hallet" Diesel Engine pump set.
- 2) 5-7 H.P. "Coventry Victor" Diesel Engine pump set.
- 3) Wisconsin Petrol Engine pump set.
- 4) Disc Harrow.
- 5) Mowing machine
- 6) Sheep shearing machine.
- 7) Iron ploughs and other agricultural implements.

The Superintendent reports that the pump sets require for their proper working the services of a trained mechanic who can also attend to local repairs when the machines go out of order. There is no trained personnel in the locality to set right the disabled machines with the result that there is bound to be interference with the irrigation of standing crops and consequential failure of irrigated crops.

The Superintendent has also reported that a land rover which has been purchased recently has been brought to the farm. The services of a qualified mechanic are, therefore, urgently required to take up the duties of keeping the several machines in proper working condition and repair.

I agree with the Superintendent and recommend that Government may be pleased to sanction the employment for a period of three years in the first instance from the date of appointment, of a mechanic in the Madras Animal Husbandry Subordinate Service in the scale of Rs.55-3-85 in the combined sheep and cattle farm, Kurukuppi, Bellary district. The details of cost for three years are given in the appendix.

Yours faithfully,

V.R. Rajagopalan

No 6.

For the reasons stated in his letter on p 1 of the D.A.H has recommended the employment of a Mechanic on Rs 55-3-85 for the Combined Sheep and Cattle Farm at Kunkuppi for a period of three years. The proposal for the employment of a Mechanic may perhaps be accepted. But the period of sanction may be restricted to one year as is done generally when sanctioning temporary posts. The draft order above is accordingly submitted for consideration subject to orders.

Finance may see for acceptance.

Finance (E.II)

The proposal relates to the employment of a Mechanic on Rs 55-3-85 for the combined sheep and cattle Farm at Kurukuppi. The extra cost involved works out to Rs 1,311/- per annum.

2. In the circumstances explained by the

Director of Animal Husbandry on p.1 C.F., Finance may concede the need for the employment of a Mechanic for the combined sheep and cattle Farm at Kurukuppi. But the scale of pay proposed for the post ~~x~~ seems excessive. Mechanics, Grade III in the Madras Industries Subordinate Service and Mechanics in the Kerala Soap Institute, etc. are allowed only a scale of pay of Rs 45-3-60. The D.A.H. has not given any special reasons for allowing a higher scale of pay of Rs 55-85 to the Mechanic proposed for the combined sheep and cattle farm at Kurukuppi. Finance may therefore advise that a scale of pay of Rs ⁴⁵⁻³⁻⁶⁰ ~~55-85~~ may be sanctioned for the Mechanic proposed for the Farm. If this suggestion is accepted, the extra cost involved will be Rs ¹¹⁸⁸ ~~1500~~ per annum.

Subject to the above remark, the draft order on p.1 above may be accepted.

Dept. Dept

Please see the notes of Finance Dept from the bottom of page 1 above. They have agreed to the proposal for the employment of a Mechanic at the Combined Sheep & Cattle Farm, Kurukuppi for a period of one year in the first instance. They do not however agree to fix the pay of the Mechanic in the scale of Rs 55-3-85 recommended by the D.A.H. They consider that a scale of Rs 45-3-60 will be sufficient. Subject to that modification they have accepted the draft order on p.1 above.

2. It is for consideration:

(i) whether the proposal of the D.A.H. to fix the scale of pay of the post in the scale of Rs 55-3-85 should be pressed; or

(ii) whether the suggestion of Finance may be
